**Whatsnext4me.com**

# **whatsnext4me.com** is a unique website created specifically for U.S. teens to enhance the image of the hospitality industry.

The site promotes teens' awareness of the wide range of interesting and rewarding career opportunities available in the industry. The award-winning site is designed primarily as an exploration tool for students, rather than a career planning tool, and its ultimate goal is to encourage more of America's youth to pursue jobs and careers in the hospitality industry.

**Whatsnext4me.com** and **Showcase of the Stars** go hand in hand. Speakers from the Showcase are featured on the website, and the profiles of 'real people, real jobs' on the site are often those of Showcase stars. The website provides a wealth of information about the industry, the career opportunities available and helpful resources including information about educational programs, training, scholarship programs and hospitality-oriented organizations. Industry segments, career paths and resources are also addressed during the Showcase program. These two unique programs are working together every day to guide young Americans toward promising careers in the hospitality industry.

Whatsnext4me.com was funded in part by a grant awarded under the President's High Growth Job Training Initiative, as implemented by the U.S. Department of Labor's Employment & Training Administration.
